ENZCOM SOLUTIONS LIMITED HEALTH & SAFETY POLICY

Enzcom Solutions specialise in the design, installation, integration and commissioning of structured cabling systems and 'smart' technologies in both the residential and commercial sectors.

Enzcom Solutions are committed to providing a safe and healthy workplace for all employees and to ensure the health and safety of other persons who may be affected by our activities.

In pursuing this goal and through our commitment to continual improvement we will ensure that we:

- Provide and maintain a healthy working environment at all times.
- Provide safety equipment as required and ensure its effective use.
- Identify substances that are potentially hazardous to health and make arrangements to control the risks they pose.
- Provide information, instruction, training and supervision to ensure everyone is able to carry out their work safely.
- Ensure compliance to legislation, regulations, Codes of Practice and other requirements
- Investigate accidents, incidents and cases of work related illness, so we can identify and put right any shortcomings in our health and safety processes.
- Continue to consult with and update employees on all Health and Safety issues.
